Pavement Repairs on Illinois 53 in Palatine Saturday

CHICAGO - The Illinois Department of Transportation announced that, weather permitting, crews will be performing pavement repairs on eastbound Illinois 53 between Dundee and Rand roads in Palatine on Saturday, Sept. 6.

In order to perform this work safely, it is necessary to close the right lane of eastbound Illinois 53 from the eastbound Dundee Road entrance ramp to Rand Road, along with the ramp from eastbound Dundee Road to southbound Illinois 53. The closures will be in place from 5 to 10:30 a.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
